

# ELECTRIC THERMAL STORAGE

## LOWER BILLS. GREATER COMFORT.

Steffes Electric Thermal Storage (ETS) systems work smarter, cleaner and greener to deliver increased warmth and reduced energy costs. Forced air, hydronic or room units – Steffes offers premiere heating solutions for any home configuration. In addition to reducing energy usage and power bills, the exceptional efficiency of Steffes ETS systems qualify for rebates from many utilities and co-ops.

### HOW ETS WORKS

#### OFF-PEAK ENERGY

Steffes ETS systems generate and store vast amounts of heat during off-peak hours, reducing both energy costs and strain on the power grid.

#### 24-HOUR WARMTH

Exceptionally efficient operation then delivers comfortable, reliable warmth to every room, every hour of the day.

#### SET IT & FORGET IT

There is no furnace to load, soot to clean or oil to burn. Simply adjust your thermostat, and your Steffes system quietly takes care of the rest.

### OPTIMAL OPTIONS

Steffes offers a variety of ETS systems to maximize comfort in any home. They can be used as your home's sole source of heat or to supplement other heat sources.

#### ROOM UNITS

Ideal for any room in your home. Used as supplemental heat or a direct replacement of electric baseboards or wood stoves.

#### FORCED AIR FURNACES

Heat your entire home through a central duct system. Our systems can be interfaced with a heat pump for even greater efficiency.

#### HYDRONIC FURNACES

Heat your entire home through in-floor, hydronic baseboard and/or forced air. It can be equipped with a heat pump system for even greater efficiency.

# MUCH MORE THAN LOWER BILLS.

## CONSISTENT COMFORT

Steffes systems deliver wonderfully consistent heat throughout the house, day and night.

## EARTH FRIENDLY

Steffes makes smarter use of energy – maximizing off-peak power with exceptionally efficient operation.

## USER FRIENDLY

Just adjust your thermostat or Steffes Connect app and enjoy.

## CLEAN & QUIET

No coal, oil or pellets means no grime or soot. And exceptional efficiency means nearly silent operation.

## BUILT TO LAST

Every Steffes unit is engineered and built to exacting standards in North America for years of worry-free comfort.

## SUPERIOR SERVICE

You'll never know it's there, but we're here if you need us with a 5-year limited parts warranty. If you ever need to call, you'll speak to us – not a call center.

# EXPLORE YOUR OPTIONS

Electric Thermal Storage may sound complicated, but it actually simplifies your life while improving your comfort. In addition to offering incredibly efficient options for new construction, Steffes ETS can replace and upgrade existing heating systems or provide supplemental heat for hard-to-reach rooms.
